Jl. Prof. Dr. Ida Bagus Mantra KM 14,5 BR. Gelumpang,
Kec. Sukawati, Kab. Gianyar, Bali 80582

ABOUT US

PT. Satriacipta Asta Kencana didirikan pada tanggal 2 April 1998, oleh Bapak Ir. Setiawan Tjiptohardojo (Rudy) berawal dari kesuksesan di perdagangan material konstruksi dari perusahaan sebelumnya yaitu PT. Trisetya melakukan ekspansi pada bidang distributor dan aplikator material-material konstruksi yang dinamakan PT. Satriacipta Asta Kencana.

Kantor PT. Satriacipta Asta Kencana pada awalnya terletak di Jl. Sekar Jepun No.4, Denpasar dan Workshop di Jl. Sekar Sari No. 88x, Denpasar. pada bulan April 2019, kantor utama dan workshop dipindahkan menjadi 1 tempat yang terletak di Jl. Prof. Dr. Ida Bagus Mantra, tepatnya di KM. 14,5, Sukawati, Gianyar.

Produk-Produk Andalan PT. Trisetya pada tahun 1998 antara lain : Bluescope Lysaght Indonesia (Kuplok, Spandek, Trimdek, Smartruss, Smartdek), Acc hebel, Acc Ge, Decrabond + Gerard Roofing, Maccaferri Indoneisa, Wiremesh dan BRC.

Seiring berjalannya waktu dan keberhasilan Bapak Rudy, pada tahun 2010 PT. Satriacipta Asta Kencana berkembang menjadi produsen dan aplikator produk-produk beton Precast, Pre-Stress, antara Lain, Tiang Pancang kotak, Pile Cap, Tie Beam. Kolom Struktur, Balok Struktur, Plat Half, Slab, Full Slab, Lintel Beam, Facade, Retaining Wall, Dinding, Listplank, Balkon, Talang, dan Trotoar Precast.

PT. Satriacipta Asta Kencana memiliki misi untuk terus berkembang demi memenuhi visi sebagai perusahaan konstruksi Precast terbaik di Bali dan memajukan pembangunan ekonomi di Bali.
